## A CLASSIC RETELLING

**Josh Groban And H.E.R. Star In ABC's Live-Action "Beauty And The Beast."** By Zhanna Slor

Starring H.E.R. as Belle and Josh Groban as The Beast, ABC's upcoming live-action *Beauty and the Beast* (Thursday) will celebrate the 30th anniversary of the beloved children's classic by pairing the original film with a musical on air. The two-hour hybrid special pays tribute to the original by showcasing various scenes from the cartoon between musical performances, in what appears to be a more modernized setting.

Tony Award-nominated actor and musician Joshua Henry couldn't have been more excited to discuss the project and his role as Gaston, the shallow, fawned-over foil to Belle's eventual romantic interest, The Beast. Henry got the role after Alan Menken — the composer of the original film, as well as many other Disney classics — saw him play Rapunzel's Prince in the ongoing Broadway production of *Into the Woods*.

"I'm glad to play Gaston, because he's what happens when you get overly obsessed with how you look and what you can do, and think that is all that there is to make you successful, which is not unlike our social media culture. You blind yourself from real beauty. I think that's what's happened with Gaston. It's a status thing for him. He doesn't know what it means to actually connect on more than a physical level, and it just ruins his world," Henry explained. "It's cool to be a part of a story that breaks that down. It's about trying to see people for who they are. That's how you get the real beauty."

Asked how he feels playing such an iconic character, especially one generally seen as a

villain, Henry said, "I'll be honest with you, I love it. I've played Aaron Burr in *Hamilton*, I played Billy Bigelow in *Carousel* — characters that are typically seen as 'the bad guy.' The challenge and the juicy part about that is you get to really see how much *not* the bad guy you can be."

So how does one prepare for such a production? "Well," Henry explained, "what you do is you practice like crazy. Right now, we are in rehearsal hour after hour, for days on end. One of the songs we're going over is 'Gaston.' I can't give you everything, but it's a big number. It's got a lot of people in it."

"We've started recording some of the music already just to hear it in rehearsal, and at certain times there's not a dry eye in the entire rehearsal room," Henry continued. "Because this music, I mean, that's why the song 'Beauty and the Beast' won the Oscar in '92. It's incredible, heartfelt music that is going to be heard in a way that you've never heard before."

Asked if he eats five dozen eggs for breakfast like the original Gaston, Henry answered, "No, but I'm up to half a dozen eggs. I love to work out anyway, but I'm putting on a little extra poundage. This guy is a warrior, and he's a revered hunter. You want to try and really inhabit the character you're playing."

The special, which airs on ABC and then streams the next day on Disney+, also stars Shania Twain as Mrs. Potts and Martin Short as the charismatic candelabra, Lumiere.

Wrap yourself in tinsel and put an angel on your head, it's time to light up the holidays with this beloved American tradition, now in its 100th year, and presented by the National Park Service and National Park Foundation. Tune in to celebrate the official tree lighting on the Ellipse in President's Park in Washington, D.C.

## Dirty Jobs

Season Premiere

Mike Rowe is ready to get dirty with the Season 10 premiere episode *Pool Fixer; Hotel Soap Recycler*. First up, Mike travels to West Palm Beach, Fla., to dip his toe in with a family of second-generation pool fixers, who task Mike with cleaning 17 years of accumulated filth out of the dirtiest pool in America.

## The Holiday Sitter

8 pm on HALL  
Premiere

Sam (Jonathan Bennett) is a workaholic bachelor who ends up babysitting his niece and nephew before the holidays when his sister and her husband have to go out of town unexpectedly. Completely out of his element, he recruits help from their neighbor Jason (George Krissa) and finds himself in an unexpected holiday romance.

## The White Lotus

9 pm on HBO  
Season Finale

The long, slow burn taking place this time around has been a fabulous contrast to the rapid fire of last season. But in the Season 2 finale episode *Byg*, we can expect an operatic conclusion, befitting its Italian setting. But it will take a shocking turn as the guests remain wonderfully insufferable in the face of pure darkness. Expect the unexpected.

## 5 QUESTIONS with ...

©2022 CBS Broadcasting Inc. All Rights Reserved. Credit: Lindsey Su

### LIZA LAPIRA

Of CBS' "Must Love Christmas" And "The Equalizer"

By Jacqueline Cutler

Liza (pronounced Lisa) Lapira, a steady TV presence for 20 years (*The Sopranos*, *Huff*), stars as Natalie Wolfe, a romance novelist specializing in Christmas stories who rarely ventures out of her Manhattan apartment, in CBS' new original movie *Must Love Christmas* (Sunday). On the network's *The Equalizer*, Lapira plays a very different character, Mel, a sharpshooting veteran. Incorporating Natalie's sweetness and Mel's toughness, Lapira answered our "5 Questions."

#### 1. Tell us about a time you were starstruck.

I haven't had the pleasure of meeting President Obama, but I worked with Kal Penn pretty soon after Kal left working at the White House. And just through proximity, I was starstruck. "Oh, my God, this is the hand that shook President Obama's hand!" And then Kal told us that he showed the pilot [*Battle Creek*] to the president, then I had butterflies that the president of the country had seen me maybe do two lines on a pilot. I was high off that for a while.

#### 2. What other jobs did you have before you made it as an actress?

I did babysitting. I did dog walking. I handed out flyers at a mall in Massapequa. Then I got my working papers. I was a cafe barista. I sold souvenirs at different Broadway shows, and I did hospital billing. I was a barback at the Comedy Cellar, which was amazing. Number one, because it's iconic, and number two, because the bartender was 6-foot-2, and basically, a barback's job is to be the muscle. I managed a store for a little bit, and, of course, the waitress thing. When I first got to L.A., I was tutoring English.

#### 3. What would you be doing if not acting?

Singer. I grew up singing, but I would want to be a singer on an insanely large scale. I recently rewatched Madonna's [2012] Super Bowl performance. There's dancing and large sets and moving set pieces, and it seemed both terrifying but also exhilarating.

#### 4. Who were your role models growing up?

When I first started pursuing this, I wasn't thinking of race or even gender; I was just thinking of skill level. So I thought along the lines of who has the same kind of training that I have, the same kind of work ethic and the same kind of "New Yorkness" that I grew up with. Christopher Walken is a big one. Hank Azaria is from Queens, and the fact that he can do a lot of voices and has a lot of range resonated with me.

#### 5. You're hosting a mythical dinner party where the living or dead can attend. Who's there?

Oprah Winfrey, Jane Austen, David Letterman. President Corazon Aquino, the first female president in the Philippines. And then my grandparents, all those loved ones that aren't there anymore, I would love to see them.

**ABC will air *Beauty and the Beast: A 30th Celebration* on Thursday, December 15 from 8 to 10 PM ET/PT.** This live-action and animated blend special includes an amazing cast. Five-time GRAMMY® and Academy Award®-winning singer-songwriter H.E.R. will play the role of Belle, with Tony®, Emmy® and GRAMMY®-nominated artist Josh Groban playing the Beast. Tony® and GRAMMY®-nominated star Joshua Henry as Gaston, with celebrated comedian and Emmy® Award-winning actor Martin Short as Lumière. Tony® Award winner David Alan Grier will play Cogsworth, with Rizwan Manji as Gaston's loyal sidekick, LeFou, and Jon Jon Briones playing Belle's loving father, Maurice. Five-time GRAMMY Award® winner Shania Twain is joined by Leo Abelo Perry, playing everyone's favorite mother-son duo, Mrs. Potts and Chip. EGOT winner and legend Rita Moreno will serve as the night's narrator, taking viewers on a memorable journey through the classic enchanted tale.

**CBS will air two holiday specials which we are looking forward to.** On Tuesday, December 20 from 8 to 10 PM ET/PT, it's a primetime concert from the Queen of Christmas titled, ***Mariah Carey: Merry Christmas to All!***, and will feature the singer-songwriter performing a repertoire of her festive holiday hits, including the chart-topping massive perennial favorite "All I Want for Christmas Is You." Mariah is the best-selling female artist of all time with more than 200 million albums sold to-date and 19 Billboard Hot 100 #1 singles. She is also an inductee to the Songwriters Hall of Fame. Then on Friday, December 23 at 8 PM ET/PT, CBS will air the ***24th Annual A Home for the Holidays at the Grove***. The special is hosted by Gloria Estefan and will feature uplifting stories of adoption from foster care, raising awareness of this important social issue. The event takes place at The Grove in Los Angeles, which serves to enhance the inspirational stories of several American families with performances by extraordinary artists, including Estefan, Andy Grammer, Little Big Town and David Foster & Kat McPhee. Both these holiday events will also be available to stream live and on demand on Paramount+.

### Embiid kicks it up a notch for Sixers

Wilt Chamberlain, Moses Malone, Joel Embiid.

Yes, if you're talking greatest centers in Philadelphia 76ers history, one must include the seventh year big man out of Kansas in the same breath with the two Pro Basketball Hall of Famers. And if the 28-year-old Cameroonian can continue his stellar play into his 30s, he'll likely be joining them in those hallowed halls in Springfield.

His career stats of 26.2 points, 11.3 rebounds and 1.7 blocks per game are certainly comparable to Malone's (20.6 points, 12.2 rebounds, 1.3 blocks) although Chamberlain's (30.1 points, 22.9 rebounds) were otherworldly and amassed at a time when he was literally head-and-shoulders above the competition as one of the league's few seven-footers. These days, seven-footers are common and even playing point guard.

Embiid also earned a comparison with the great Wilt the Stilt last month. Within a two game span, he scored 42 points in a Saturday, Nov. 12, game against the Hawks followed by a 59-point performance against the Jazz on Sunday. If you're scoring at home, that's 101 points in less than 24 hours. Though it's not in the class of Chamberlain's 100-point single-

game output in 1962, it certainly evoked memories of that record-setting performance, one that still stands today.

With the Sixers in the thick of the playoff hunt in the East, they'll be counting on the stalwart play of Embiid to lead them to an NBA Finals berth. He can be seen in action Friday, Dec. 16, when the Sixers host the Golden State Warriors in the opening game of an ESPN doubleheader.

### CHEERS TO THE MARCIA GAY-HARDEN-NAISSANCE

With her hilarious turns on Netflix's *Uncoupled*, Apple TV+'s *The Morning Show* and CBS's *So Help Me Todd* (below, Harden with *Todd* costar Skylar Astin), this scene-stealer deserves shelves full of Emmys!

### CHEERS TO HALLMARK'S

holiday upgrade. Funnier scripts, more diverse stories, cooler locations —has anyone else noticed how the network that turned “cheesy Christmas movies” into an annual event (and inspired industry wannabes) has gotten even better at making the season bright?

### JEERS TO SEAL TEAM'S

emotional ambush. Like a sniper attack on our heartstrings, the action-packed Paramount+ military drama snuck up and devastated us in the season's final hours with the death of teammate Clay Spenser (Max Thieriot, above, now starring in *Fire Country*). Not cool, soldiers.

### JEERS TO THE RESIDENT'S

unhealthy obsession with Con and Billie. Sorry, it's just sort of icky how the Fox medical drama keeps trying to create sparks between widowed doc Conrad (Matt Czuchy) and his dead wife's bestie Billie (Jessica Lucas, above). Hopefully, hot new cardiologist Yamada (Ian Anthony Dale) can steal Billie's heart...and save this plot.

## Michael Graziadei Is Back As Daniel Romalotti On "The Young And The Restless"

Soaps are known to bring familiar faces back to shows for holiday episodes. However, Michael Graziadei's recent return to *The Young and the Restless* as Daniel Romalotti wasn't just for Thanksgiving. A show rep confirms that the actor's status with the CBS

show is ongoing. He's sticking around for a while!

This week, watch for Graziadei's storyline to heat up as Daniel reveals a secret project that leads to an unexpected business opportunity in Genoa City.

The performer made his *Y&R* debut back in 2004. Daniel's most memorable story came early on when he played an inadvertent role in Cassie Newman's (Camryn Grimes) death. The young teen, who had a crush on Daniel, drove him home after he'd had too much to drink at a party. Alas, poor Cassie had little to no experience behind the wheel of a car. She lost control of the vehicle and it crashed. Cassie died, and Daniel went on trial for her death. Attorney Christine Williams (Lauralee Bell) convinced the court that Daniel couldn't be held responsible, as Cassie was the likely driver.

"I'm being reminded of [Daniel's relationships with other characters] on a regular basis," a smiling Graziadei tells *TV Weekly*. While Daniel and Devon Hamilton (Bryton James) share a friendship, the bond between their portrayals is perhaps more significant given the role that the latter played in bringing the former back to *Y&R*. It all began when Christel Khalil (who plays Lily Winters) and James paid a visit to Graziadei's home to see his 1-year-old twin sons.

"Bryton asked if I'd ever come back to the show," Graziadei shares. "I figured they would have asked if they wanted me, but Bryton said he was going to make this happen. The next thing I knew, the show was calling my manager. I was very grateful and humbled and honored that I'd apparently created so much goodwill during my time here."

Those positive vibes began the day Graziadei showed up to work. The show had already gone through several Daniels. Although some of those episodes aired, others never made it to screen. As a result, Graziadei had to reshoot some scenes that his predecessor had already done. "I was almost in tears because I had about 50 pages of dialogue in one day," the actor recalls. "I made it through. It made me stronger."

The then-young actor's commitment to his craft impressed his new bosses. "I do take my job quite seriously," Graziadei says. "I get paid to do that and make everyone else's job easier. The crew is here hours before us and they leave hours after we do. All I have to do is learn lines and say them."

Graziadei says returning to *Y&R* feels like coming home. "This was my first big job in L.A.," he recalls. "I'd done some costars and guest stars. Then, this ended up happening. It was the best place I could have landed."

# JOIN THE MOVEMENT TO ACCELERATE CANCER RESEARCH

Right now, most clinical information is not regularly shared with the researchers who are trying to uncover new information about cancer every day, **but you can help change that.** Patients can help accelerate research **by sharing their data and unique experiences.**

When patients stand together with researchers, they can unlock new discoveries and treatments. People with all types of cancer may be eligible to **join Stand Up To Cancer, Count Me In and more than 7,500 patients who have already participated in this mission** to accelerate the pace of cancer research.

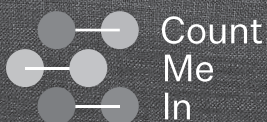

**Find out more and sign up  
to join the movement at  
[StandUpToCancer.org/CountMeIn](https://StandUpToCancer.org/CountMeIn)**

# HOROSCOPES

By YASMIN BOLAND

Mayim Bialik, a Sagittarius (born Dec. 12), of "Call Me Kat"

**ARIES** (March 21 - April 19) How connected are you to your spiritual life? While this may pertain to your religious or observational practices, it doesn't have to. So much of your astrology is geared toward daily rituals that help focus and ground you. If you're feeling scattered, then double down on your self-care routines.

**TAURUS** (April 20 - May 20) Having a plan, goal or aspiration is one of the features of being human that gives our life meaning and purpose. Now that your special star, Venus, is in your travel and discovery zone, you're probably wondering what's next? Consider the ways you can broaden your horizons and live larger.

**GEMINI** (May 21 - June 20) When you're willing to think outside the box, amazing solutions can arrive. The problem is, you've been spinning your wheels. The past several weeks have been one step forward while taking two steps back, which will last a while longer. The answers will arrive if you rely on intuition rather than logic.

**CANCER** (June 21 - July 22) To save confusion or disappointment later, be sure to check and double check the details this week. Communications planet, Mercury, enters its pre-retrograde shadow. Thus, in relationships especially, be mindful that conversations you have now may be misunderstood later. Avoid taking data and details at face value as things may go awry.

**LEO** (July 23 - Aug. 22) You don't have to have all the answers all the time. You don't have to be the source of light that everyone relies on — unless you want that, of course. Sometimes, it's good to unplug and just be you! If your energy is low, give yourself permission to unplug and recharge.

**VIRGO** (Aug. 23 - Sept. 22) Stars have aligned for you to have some of the happiest and joy-

ful moments you'll have all year! So live it up. Not only that, this week, your ruler Mercury, prepares to turn retrograde for later in the month. You've got plenty of chances to enjoy yourself now.

**LIBRA** (Sept. 23 - Oct. 22) All things communication and connection are going to go well for you this week. This can be super helpful at this time of year. Keep your ear to the ground as some details that emerge may change. Don't sweat the small stuff. Keep your focus on what really matters.

**SCORPIO** (Oct. 23 - Nov. 21) The final tour of Jupiter in Pisces through your fun and romance zone went by so fast! This is your final week to live life to the fullest and soak up some of life's simple pleasures. Indulge yourself a little bit now before the pace picks up again.

**SAGITTARIUS** (Nov. 22 - Dec. 21) While you may be feeling some tension in a personal or professional pairing, the sky is gearing toward you being back to your fiery and fun self again soon. For now, soak up some of what's good about your domestic life. Your happiest and most joyful days are yet to come!

**CAPRICORN** (Dec. 22 - Jan. 19) You know the saying, buy it cheap, you buy it twice? Fortunately, you rarely skimp on quality, though you're also fond of a bargain. This week, buy the best you can afford. If you can't afford it, hold back. The deal or negotiation you're working on is in the pipeline!

**AQUARIUS** (Jan. 20 - Feb. 18) As far as your cash flow and general fortunes are concerned, you've had quite the bit of luck in recent times. While that cycle is coming to a close, that doesn't mean everything that's abundant comes to an end. Now, it's time to invest back into yourself through knowledge.

**PISCES** (Feb. 19 - March 20) So much of the recent self-development and growth you've done on a personal level is about to pay off. It may result in additional confidence about your skills and talents which can lead to more money! Instead of waiting for something to happen, take action and go get it!

## ASK MATT

### WHAT DID YOU THINK OF THE WALKING DEAD FINALE?

@TVGMMattRoush

**Question:** What are your thoughts on the series finale of *The Walking Dead*? It felt like it wasn't really the end of the story. —Timothy

**Matt Roush:** There's no challenge more difficult than delivering a satisfying finale to a series with this passionate and massive a following. What surprised me the most was how sentimental the episode was, with probably more hugging than in the *Waltons* Thanksgiving movie that aired the same night. The one major character death felt earned and was appropriately moving, although it had the gauzy tone of one of those Ali McGraw *Love Story*-style beauty death scenes. I didn't mind that so many characters were spared, although knowing in advance how many characters were heading off to their own spinoffs diluted much of the suspense. Which brings up the real issue, that because we all already knew the franchise is expanding – and if we didn't already, those promos kept reminding us – this felt less like a series ending than a pause between spinoffs. There was big action, some true zombie scares, a long overdue comeuppance, and an awesome explosion, so the finale checked off a number of the necessary genre boxes. I'm just glad we can leave this group of heroes in relative peace and not have to endure another season that introduces a new set of villains to test them. That storyline was done to, pardon the pun, death.

## College Football 11 am on ESPN

College bowl season continues with over 13 hours of gridiron action on ESPN, ESPN2 and ABC, starting here with the Wasabi Fenway Bowl at Fenway Park. Then in mid-afternoon are two games – the New Mexico Bowl and the Jimmy Kimmel LA Bowl. Early evening brings the Lending Tree Bowl, the SRS Distribution Las Vegas Bowl and the Frisco Bowl.

## iHeartRadio Jingle Ball 2022 8 pm on CW

If there's a nip in the air it must be time for that beloved annual tradition: a 90-minute holiday music event that celebrates the season with performances by the year's biggest recording artists. This star-studded concert event will feature performances from many of today's hottest musical stars including Dua Lipa, Lizzo, Charlie Puth and more.

## 'Twas the Night Before Christmas 8 pm on HALL Premiere

Madison Rush (Torrey DeVitto) is a former actress trying to break into directing who decides to test her skills with a town's annual Christmas Eve courtroom production in which the true authorship of the famous poem *A Visit from St. Nick* is debated in this 2022 TV movie.

## Five More Minutes: Moments Like These 10:01 pm on HALLMM Premiere

The second holiday story inspired by Scotty McCreery's song *Five More Minutes*, a widow's (Ashley Williams) Christmas wish for her son is answered in unexpected ways when she returns to their old home for the holidays. This 2022 romance also stars Lucas Bryant, Fred Henderson, Carey Feehan and Francesca Bianchi.

# *“I haven’t been this excited since I got my first bicycle!”*

## Introducing **ZOOMER!**

The portable, folding, battery-powered chair that offers easy one-handed operation

Remember when you were a child and got your first bicycle? I do. It gave me a sense of independence . . . I felt like I could go anywhere, and it was so much easier and more enjoyable than walking. Well, at my age, that bike wouldn’t do me much good. Fortunately, there’s a new invention that gives me the freedom and independence to go wherever I want . . . safely and easily. It’s called the **Zoomer**, and it’s changed my life.

***My Zoomer is a delight to ride! It has increased my mobility in my apartment, my opportunities to enjoy the out-of-doors, and enabled me to visit the homes of my children for longer periods of time. The various speeds of it match my need for safety, it is easy to turn, and I am most pleased with the freedom of movement it gives me.***

***Sincerely, A. Macon, Williamsburg, VA***

After just one trip around your home in the **Zoomer**, you’ll marvel at how easy it is to navigate. It is designed to maneuver in tight spaces like doorways, between furniture, and around corners. It can go over thresholds and works great on any kind of floor or carpet. It’s not bulky or cumbersome, so it can roll right up to a table or desk—there’s no need to transfer to a chair. Its sturdy yet lightweight aluminum frame makes it durable and comfortable. Its dual motors power it at up to 3.7 miles per hour

and its automatic electromagnetic brakes stop on a dime. The rechargeable battery powers it for up to 8 miles on a single charge. Plus, its exclusive foldable design enables you to transport it easily and even store it in a closet or under a bed when it’s not in use.

Why spend another day letting mobility issues hamper your lifestyle? Call now and find out how you can have your very own **Zoomer**.

## GAMBLING DEBT REVEALS STUNNING TURQUOISE JEWELRY

*Own the diamond of the desert!*

Old Pete was a retired stuntman bursting with stories. There was the time he stared down a grizzly bear. There was the time he won a competition and got to kiss a Hollywood starlet as the prize. And there was the time he got into a fistfight with the Duke. Many stories. Some were probably even true. I know two things for sure: that he had an excellent collection of turquoise and that he owed me for a poker game he lost. The last time I saw him, he opened a drawer and pulled out a collection of beautiful Navajo turquoise jewelry to repay his debt. Pete's jewelry inspired our Tucson Sun Turquoise Collection.

This jewelry set features turquoise that's been gently enhanced to bring out its finest shades in a Southwestern motif. Finished with oxidized silver, this jewelry set captures the beauty and mystery of the Arizona desert. The rarest and most valuable turquoise is found right here in the American Southwest, but the future of the blue beauty is unclear. I recently spoke with turquoise traders who explained that less than 5% of turquoise mined worldwide can be set into jewelry. Once thriving, many Southwest mines have closed.

But Stauer saw this coming and is now one of the largest owners of gem-grade turquoise in the U.S. Don't miss your chance to own the diamond of the desert. Act now. This is one of our fastest sellers, and we only have a limited supply of Arizona turquoise available for this ad. See why Stauer remains the best bang for your buck!
